I feel empowered and full of hope.

I discovered a timeline for my life and which season I am in.

My favourite bit was seeing who I am in my heart and learning how to express it in what God has for me.

I've been to conferences, read so many books and done many other things but this worked!

I learned how to listen to Holy Spirit, as well as practical steps like goal setting. What is your unique life purpose?
How do you live with and sustain passion and motivation?
How do you hear from and co-create with God?
How do you turn ideas into reality?
When do you move forward?
What preparation has God taken you through already?

This fun, interactive and unique life coaching workshop will give you tools to discover and grow your life vision. You will pull together important jigsaw pieces of your life learning how to: steward your unique strengths and giftings, understand seasons and timing and unpack prophetic words. You will learn personal strategies to overcome obstacles that have held you back from going to the next level, leaving the workshop with a clear plan.
